The Quiet Corner Chapter of the Disabled American Vets

Are you a Veteran who has combat or service related disability and need assistance with filing for Veterans Administration Benefits? Are you interested in learning more? We are looking for you.

The Disabled American Veterans are dedicated to a single purpose: empowering Veterans to lead high quality lives with respect and dignity. We accomplish this by making sure Veterans and their families can access the full range of benefits available to them; fighting for the interest of America's injured heroes on Capitol Hill and educating the public about the great sacrifices and needs of Veterans returning to civilian life.
